CO-HOST

BREAKING BOUNDARIES

It is my pleasure to welcome the global tech community to the 27th edition of the **Bengaluru Tech Summit**. Karnataka has firmly established itself on the global stage, not only as the capital of IT and Biotechnology but also as a leading center for AI, DeepTech, Electronics & Semiconductors.

Bengaluru Tech Summit has a proud legacy of facilitating international collaborations by opening India's doors to the world. This summit, a convergence of Researchers, Industry Leaders, Academia & Investors from a diverse spectrum, is aimed at unbounded exploration and the advancement of technology to solve global challenges. Let us unleash the power of technology to build a more connected and sustainable world for the betterment of mankind.

I welcome all of you to Bengaluru and encourage you to discover the many facets of Karnataka's rich heritage, vibrant culture, mesmerizing geography, and remarkable diversity.

Shri Siddaramaiah

Chief Minister of Karnataka

I am delighted to invite you to the 27th Edition of Bengaluru Tech Summit, **Asia's Largest Tech Event**. Karnataka, renowned for its conducive ecosystem, exceptional talent pool and ease of doing business, is creating an ideal environment for innovation and growth. Karnataka's unwavering dedication to nurturing entrepreneurship has established it as a favored destination for numerous startups.

This dynamic environment is the perfect backdrop for Bengaluru Tech Summit 2024, taking place at the iconic Bangalore Palace. Welcome to BTS 2024, where the future of technology unfolds! Seize the opportunity to connect with leaders from global and Indian corporations, policymakers, innovators and investors. I look forward to seeing you there.

Shri D.K. Shivakumar

Deputy Chief Minister of Karnataka

Karnataka, recognized as the IT and Biotech capital of India, serves as the headquarters for major tech giants, GCCs, and leading unicorns. This success stems not only from the State's industry-friendly policies and programs, but also from our active engagement & collaboration with the complete tech ecosystem.

The Bengaluru Tech Summit has been instrumental in elevating **Brand Bengaluru** to the global stage. We deeply value our close association with Global Innovation Alliance Partners and with them, BTS attracts the world's foremost leaders, innovators, and disruptors, drawing over 25,000 tech enthusiasts from India and more than 40 nations. The 3-day event features an exciting lineup of over 460 global speakers across 85+ sessions and a vibrant exhibition with 700+ exhibitors, alongside numerous networking events.

I invite you to join us at this flagship event and contribute to shaping and strengthening the dynamic ecosystem that fuels growth in Karnataka for India.

Shri Priyank Kharge

Hon'ble Minister for Information Technology & Biotechnology, and RDPR, Govt. of Karnataka

KARNATAKA unbound

The State of Karnataka, with Bengaluru at its heart, is a global technology hub renowned for its robust ecosystem that fosters innovation and entrepreneurship. Over decades, the State has made significant investments in nurturing Research and Education, creating Centers of Excellence, Technology Parks, iconic Institutions of Excellence and more, across sectors, with a strong focus on technology, humanity and creativity.

No wonder Karnataka creates, nurtures and attracts a diverse talent pool like none other. Add to that Industry friendly proactive policies, social infrastructure, and a cosmopolitan cross cultural milieu that fosters ideation, innovation, creation, collaboration, and growth. Breaking boundaries across sectors and industries, creating a unique habitat that is known as Karnataka, unbound!

KARNATAKA ECOSYSTEM

Welcome to **India's leading innovation ecosystem**. Where proactive policies enable ease of doing business, and catalyze excellence. Talent finds the opportunity to leap ahead, thrive, create, innovate and lead the future. Humanity and technology unite. Unicorns are born. Success is unbound.

GLOBAL INNOVATION ALLIANCE

Experience global synergy at the Bengaluru Tech Summit 2024! Global Innovation Alliance, initiated by the Government of Karnataka, invites partner nations to BTS to connect, exchange ideas and forge strategic partnerships.

Over the years, BTS has welcomed numerous international delegations, featuring Heads of States, trade missions, ministers, national and state-level policymakers, renowned scientists, Nobel Laureates, and industry leaders across various sectors.

**INTERNATIONAL DELEGATIONS**

We have hosted delegations from over 40 countries comprising government ministries, trade bodies, corporates, top universities, R&D institutions, and industry associations.

COUNTRY PAVILIONS

Over 10 countries showcase their technology prowess through exclusive pavilions in the exhibition.

COLLABORATIONS

Numerous MoUs between countries, international state representatives, universities, trade missions, and corporates have been signed with their Indian partners at BTS.

COUNTRY PARTNERSHIPS

The BTS Country and Country-in-Focus partnerships offer an exceptional platform for exclusive branding and showcase of their opportunities.

CURATE SESSIONS

Under the Global Collaborations Track, our Country Partners curate and conduct conference sessions, roundtable meetings, and educate participants about their strengths and opportunities.

B2B & B2G MEETINGS

Country delegations conduct productive meetings with industry and government representatives over the three-day event.
