ANNOUNCING BTS 2025

Under the visionary theme 'Futuriise', BTS 2025 marks the rise of a full-spectrum, global tech platform designed for scale, speed, and strategic impact. This year, BTS reimagines how industries connect, offering a dynamic marketplace where buyers from diverse sectors engage directly with disruptive startups, agile SMEs, global enterprises, managed service providers, tech solution vendors, system integrators, investors, and thought leaders. From product launches to policy discussions, from B2B matchmaking to global collaboration, BTS 2025 is where meaningful business happens. WELCOME TO FUTURISE !

THE 6 PILLARS OF BTS 2025

BTS 2025 is built on six dynamic pillars that showcase the summit's depth.
From innovation and business to talent and immersive experiences.

TRENDS

Insights from thought leaders, disruptors, and tech gurus shaping the future.

INSIGHTS

Focus on DeepTech, Biotech, Startups, and Global collaboration driving innovation.

BUSINESS

A platform for showcases, product launches, B2B/B2G meetings, and founder dialogues.

CELEBRATIONS

Recognizing excellence in STPI IT exports, SmartBio, Startup and Expo Awards.

TALENT

Empowering youth through quizzes, posters, mentoring, and pitching forums.

EXPERIENCE

Engaging experiences with Techsperiential showcases, Green BTS, and city outreach.

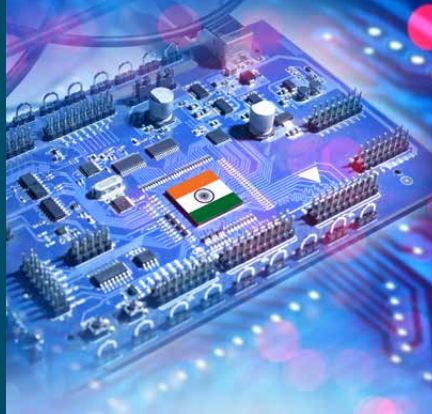

Conference at BTS 2025: Igniting Futurise

As we stand at the edge of an era defined by exponential technologies and global urgency, the Conference at Bengaluru Tech Summit 2025 embodies the spirit of Futurise - a call to rise beyond boundaries, ideate with purpose, and build future-ready societies.

Over **3 power-packed days**, the conference will host 10 thematic tracks, 600+ global speakers, 100+ deep-dive sessions, and thought leadership dialogues that spotlight the power of technology across sectors and societies. From AI and semiconductors to healthtech and climate tech to global policy, this is where conversations shape the contours of tomorrow.

IT & DeepTech

Explore engineering breakthroughs in IT & DeepTech—from quantum computing to 5G and open source—driving digital resilience with global experts and visionary tech leaders.

Electro Semicon

Explore India's rise in the global chip race—design, foundries, packaging, and policy—led by industry experts shaping the future of electronics and semiconductors.

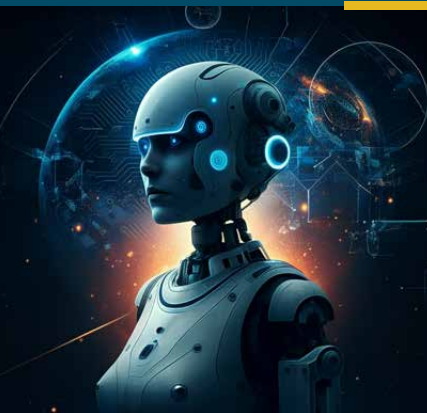

Digi Health & Biotech

This track explores cutting-edge advancements in digital health, including telemedicine, health data systems, and AI-driven diagnostics as well as biotech innovations across domains like agriculture, environment, bio-manufacturing, etc.

Startup Ecosystem

BTS 2025 celebrates Bengaluru's startup spirit with founder stories, innovation showcases, investor insights, and global growth strategies across cutting-edge technology sectors. Don't miss it!

India-USA Tech Conclave

5

The India-USA Tech Conclave highlights strategic partnerships in emerging tech, featuring influential voices from government, industry, and think tanks driving bilateral innovation and cooperation.

Global Collaboration

6

Global Collaboration celebrates global innovation with country keynotes, B2B meets, and showcases—driving cross-border partnerships via Karnataka's Global Innovation Alliance (GIA).

AI Universe

7

AI Universe explores how AI is transforming industries today, with sessions on generative AI, ethics, infrastructure, and inclusive innovation led by global tech and policy leaders.

Defense & Spacetech

8

Discover how technology is shaping the future of defense and space domains with insights on innovations, partnerships and global trends.

My Planet, My Future

10

My Planet, My Future spotlights tech-driven sustainability—climate innovation, clean energy, ESG, and net-zero goals—uniting startups, policymakers, and global changemakers for a greener tomorrow.

Finverse Banking, Insurance & Fintech

9

Finverse unites trailblazing innovators to explore the frontiers of blockchain, AI, digital identity, India Stack 2.0, banking tech, and insurance tech—reshaping the future of financial services.

Special Programmes

❖ STPI IT Export Awards

These awards will honor outstanding contributions in IT and ITeS. Winners across diverse categories are selected by an esteemed jury, recognizing excellence in innovation, scale, and global impact

❖ Startup Ecosystem Impact Awards

These awards recognize Karnataka-based startups delivering disruptive solutions with strong potential for employment, wealth creation, and social impact. Winners are chosen by a jury of investors, policymakers, and business leaders from India's startup ecosystem.

❖ SmartBio Awards

These awards celebrate outstanding leadership and innovation in biotechnology. Selected by a distinguished jury of investors, policymakers, and industry experts, SmartBio awards recognize companies making transformative contributions across biotech sectors in India and internationally.

❖ TCS Rural IT Quiz

India's longest-running rural tech quiz returns to BTS 2025 after a grand Silver Jubilee in 2024. Conducted by TCS and the Government of Karnataka, it empowers rural students with IT literacy. The National Finals at BTS will feature top champions from across the country in an exciting showdown.

❖ BioQuiz

BioQuiz is a platform aimed at raising awareness and foster holistic exploration of Biotechnology among students. With two preliminary rounds leading up to an exciting finale during BTS, BioQuiz promises to be a thrilling display of talent and intellect across various domains under biotech.

❖ Product Launch 4.0

Product Launch 4.0 at BTS 2025 builds on last year's success, where 50+ products were unveiled by startups. Returning with greater scale and visibility, it offers a launchpad for next-gen innovations before a global audience of investors, industry leaders, media, and policymakers.

❖ Biotech Poster Showcase

Budding scientists and early-career researchers take center stage through poster sessions in biotech and life sciences. This is where the next big ideas in healthtech, sustainability, and biosciences find visibility and mentorship. Application for Poster Presentation: INR 5000 (18% GST Applicable)

❖ B2B Partnering

The InterlinX One-on-One tool facilitates targeted B2B meetings at the summit. The platform enables effortless search for potential partners, sending invitations, and conducting meetings, fostering connections amongst registered attendees for dialogue and business acceleration.

FUTURE MAKERS CONCLAVE

@ Bengaluru Tech Summit 2025

In a world racing toward the future, there is one space where innovation meets intention, and disruption meets depth. The Future Makers Conclave at Bengaluru Tech Summit 2025 is a powerful, immersive experience curated for those who are not afraid of scaling the impossible, but with a vision, purpose, and possibility. Set inside BTS 2025, this high-impact, one-day conclave brings together an extraordinary community of trailblazers- from global changemakers and entrepreneurs to spiritual leaders, engineers, adventure sportspersons and athletes, to artists, and pioneers of the impossible.

In an ambitious attempt to make it to the Guinness Book of World Records, 20,000 startup founders from across the globe will come together, to be a part of this gathering, all united by a shared purpose- shaping a conscious, connected future.

What to expect?

Fusion performances | Global keynote voices
Mindful leadership dialogues | Disruptive innovators and game-changers

Partnership Opportunities

► SPONSORSHIP

Bengaluru Tech Summit offers unmatched visibility for brands looking to lead conversations at the intersection of technology, innovation, and global collaboration. As a BTS Partner, you gain exclusive access to a diverse audience of decision-makers, industry leaders, startups, investors, and policymakers from around the world. Scan the QR code for detailed partnership packages and benefits.

► EXHIBITION

Asia's Premier Tech Commerce & Innovation Marketplace

The Exhibition at BTS 2025 will be about conversions. Conversions of ideas into ventures. Conversations into partnerships. Product Demos to Deals. Set against the expansive backdrop of BIEC, this year's exhibition promises a bold new scale, spotlighting innovation, collaboration, and commerce. With a major leap in participation, floor area, and international representation, the exhibition is set to become the **business engine** of the summit. It will host **1,200+ exhibitors** from across India and from over **60 Countries**, representing diverse sectors and cutting-edge technologies.

WHO SHOULD EXHIBIT?

- Technology Companies
- Tech Startups across domains
- International Trade Delegations
- R&D Institutions & Universities
- Central, State Government Departments & Public Sector Units
- IT & ITeS Service Providers, Managed Services Providers
- Manufacturing & Hardware Companies
- HealthTech, AgriTech, FinTech, and ClimateTech Innovators
- Mobility, EV, and Clean Energy Enterprises
- Venture Capitalists, Incubators & Accelerators

WHO WILL YOU MEET

- C-suite executives and decision-makers from global corporations
- Policy makers, regulators and government officials
- Investors, venture capitalists, and funding agencies
- Innovators, researchers, and academic institutions
- Technology buyers and procurement heads
- Startups, entrepreneurs, and scale-up founders
- International trade delegations and business councils
- Media, analysts and thought leaders
- Industry professionals and domain experts across technologies
- Talent seekers, HR leaders and recruitment agencies

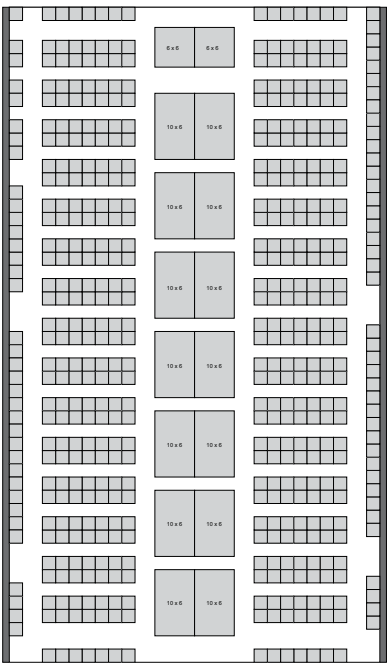

Special Zones

- Corporate & Industry
- STPI National Showcase
- Leading States of India
- Global Innovation Alliance
- MSME National Pavilion
- Karnataka Showcase
- Startup Zone
- R&D Pavilion (Lab-to-Market)

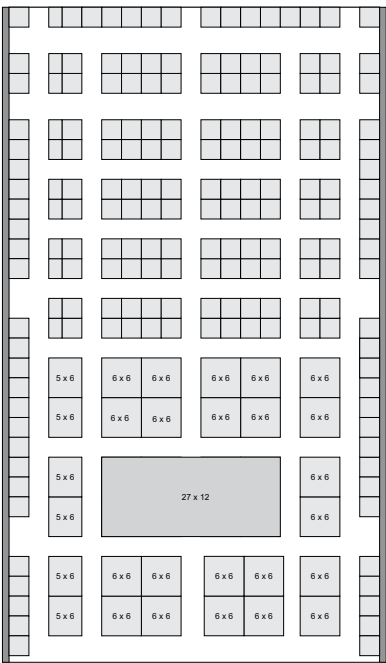

Sectorial Pavilions

- Biotech & Healthtech
- Spacetech
- Edutech
- ElectroSemicon
- Mobility
- BFSI & Fintech
- Telecom
- Greentech
- Animation & Gaming

Spotlight on Startups & Investors at BTS 2025

Bengaluru Tech Summit has long been a launchpad for innovation and BTS 2025 elevates this legacy with exciting programs designed for startups, investors, and ecosystem enablers to connect, collaborate, and create impact. At BTS 2025, the future is not just being discussed, it's being funded.

Startup Pavilion

A curated showcase of 1000+ handpicked startups from India and globally, displaying game-changing solutions across sectors. From AI and Healthtech to FinTech and EnterpriseTech, from Cleantech and Agritech to DeepTech and Sportstech. An ideal space for discovery, demos, and deal-making.

STARTUP TARIFF

Startups Booth	Price	Special Offer
	Rs. 52,000/-	Rs. 30,000/-

*GST Applicable @ 18%

Startup Ecosystem Conference Track

Hear from unicorn founders, investors, accelerators, and policymakers on Scaling, Building Globally Relevant Products, Investments, across high-growth sectors.

Pitch & Mentor Sessions

Startups pitch to marquee investors in focused forums for feedback, validation, and funding. Dedicated mentor corners offer strategic guidance on product-market fit, go-to-market strategy, compliance, and scale.

Reverse Pitch

Flipping the script, this session lets investors pitch to startups, sharing their fund philosophy, portfolio focus, and what they are looking to back next. A transparent, founder-first approach to capital connections is what this session will be about.

Startup Awards & Recognition

Celebrating the boldest ideas and most resilient founders through high-impact awards spanning categories

Global Tech Gateways

A Convergence of Nations, Innovation, and Opportunity

Bengaluru Tech Summit invites international delegations, including governments, trade bodies, tech hubs, enterprises, and innovation agencies, to come together to build new bridges of collaboration and commerce.

A highlight of the international exchange at BTS, is the flagship GIA initiative, under which Government of Karnataka, fosters international partnerships through curated sessions, B2B meetings, and exhibitions. Partner countries showcase innovation, drive tech collaboration, and explore synergies in trade, skilling, research, and startups, making the GIA Pavilion a global hub of co-creation and opportunity. Engage early and meaningfully across every aspect of the summit to make the best of this platform.

Key Engagement Opportunities

- Opportunity to curate Sessions under Global Convergence Track
- Bilateral Tech Dialogues
- Ministerial Plenaries with top Indian and global dignitaries
- Trade Missions and MoU signings
- Global Tech Showcases
- Country Pavilions

Why should international participants attend?

- Forge Bilateral Collaborations
- Showcase National Innovation & Support your Startups
- Promote Policy & Tech Diplomacy
- Expand Market Access
- Dedicated Country Pavilions
- Curated B2B & G2G Meetings

A NEW VENUE, A BIGGER IMPACT

With a legacy spanning more than 27 years, the Bengaluru Tech Summit enters a bold new chapter in 2025, from November 18 to 20, at the Bangalore International Exhibition Centre (BIEC). This strategic move reflects the event's transformation into a large-scale, business-focused global platform. Bigger in scale, sharper in vision and firmly focused on outcomes. The 28th edition of BTS is an initiative of the Department of Electronics, IT, Bt, Govt. of Karnataka, in partnership with industry stakeholders, and brings the world of technology and business together.
