

CONFERENCE PROGRAMME AT A GLANCE

Multi Stage Conference Arena | Hall 2 Upper Level

Day-1 - Tuesday 18th November 2025									
TIME	INAUGURAL STAGE	TRENDS STAGE (IT & Deeptech)	CIRCUIT STAGE (Electro-Semicon)	LIFE STAGE (Digihealth & Biotech)	STARTUP STAGE I	STARTUP STAGE II	WORLD STAGE-1 (GIA)	WORLD STAGE -2 (GIA)	INNOVATION STAGE
10.00 AM - 12:00 Noon	Inaugural Ceremony								
12 Noon - 01.00 PM	India Futurises : From Leap-frogging to Pole-vaulting								
01.00 PM - 02.00 PM	Expo Visit and Lunch Break								
02.00 PM- 02.50 PM		SESSION 1 Redefining Global Business Through GCCs - The Value Matrix	SESSION 1 Powering India's Semiconductor Future: A 2030 Vision	SESSION 1 Emerging Technologies Shaping the Future of Biotechnology	Finverse	Frontier Tech for India (Space, Defence, Aerospace, Adv. Manfg.)	Australia India Technology Bridge: Opportunities for Collaboration	Netherlands Semiconductor Partnerships for a Smarter Future - Strengthening the Indo-Dutch Collaboration	
					SESSION 1 Retail - Investing, Insurance and Pensions	SESSION 1 Pioneering the Next Decade: Building India's Frontier Tech Future			
03.00 PM - 03.50 PM		SESSION 2 AI led Innovation - Futurising Growth	SESSION 2 Semiconductor Manufacturing & Ecosystem Development	SESSION 2 Personalized Medicine & Therapeutics	SESSION 2 Future of Banking	SESSION 2 Securing the Sovereign Edge: Space, Security & Scale for a Self- Reliant India	NRW Technology Bridges: Advancing R&D and Industry Collaboration Between Karnataka and NRW.	Poland Your Reliable Business Partner in IT and Beyond	Unlocking Experience Economy: Launch of OneTAC-Udupi Experience Circuit
04.00 PM - 04.50 PM		SESSION 3 Reimagining Growth: Turning Insights into Scalable and Sustainable Impact	SESSION 3A Edge AI & Emerging Technologies: Unlocking Strategic Growth	SESSION 3 Biotechnology Startups and Funding Landscape	SESSION 3 Fintech in 2030	SESSION 3 New Altitudes: Next Frontier of Aerospace Tech	Germany Co-Inventing the Future: How India and Germany Can Design and Engineer Products for the World	Norway Tech Solutions from the North: Medtech, digitalization and cyber security.	BTS '25 Reverse Pitching session by Pitchflix
05.00 PM - 05.50 PM		Fireside Chat Down, not out: Navigating The Unknown	SESSION 3B Dependability, Security and Reliability in the Connected World.	Expo Visit, Poster Visit & Networking					
06.00 PM Onwards	Global Leaders' Dinner (By Invitation)								

Day-2- Wednesday 19th November 2025									
TIME	INAUGURAL STAGE	TRENDS STAGE (IT & Deeptech)	CIRCUIT STAGE (Electro-Semicon)	LIFE STAGE (Digihealth & Biotech)	STARTUP STAGE I	STARTUP STAGE II	WORLD STAGE-1 (GIA)	WORLD STAGE -2 (GIA)	INNOVATION STAGE
10.00 AM - 10.50 AM		SESSION 4 AI Universe Opening Session: The Road to India AI Impact Summit			AI Universe Opening Session (Trends Stage)				
11.00 AM - 11.50 AM		SESSION 5 Navigating Disruption with Purpose & Integrity	SESSION 4A Supply Chain Sovereignty: Building India's Trusted ESDM Backbone	SESSION 4 Diagnostics and Medtech	AI Universe	Health & Wellness	Israel Israel-India Innovation Bridge: From Ecosystem to Impact	Belgium Your Gateway to European Expansion	Ind - Aus collab in driving global innovation - A Showcase of successful joint startup program
					SESSION 1 Foundation Models for India	SESSION 1 Leading India's Rise in Biotech & Health			
12 Noon - 12.50 PM		SESSION 6 The Platform Power Play: Tech Shaping the New Age Consumer Behaviour	SESSION 4B Electronics Passive Components Eco-System and Bare PCB – a \$60B opportunity by 2030.	SESSION 5 Regenerative Medicine and Cell Therapy	SESSION 2 Industry 5.0 & Robotics	SESSION 2 Deconstructing the Science of Wellness	Denmark Future-Ready Partnerships: Mobilising Talent, Capital & Collaboration across Denmark and India	South Korea Transforming Productivity: Korean Cases in AI-Driven Solutions & Manufacturing	TrustGrid Presents: SynQ Social – Reimagining Social Platforms for a Trusted Future
		SESSION 7 Building Resilient Critical Infrastructure for a Digital Nation							
01.00 PM - 02.00 PM	Expo Visit and Lunch Break								
02.00 PM- 02.50 PM		SESSION 8 R&D Lab 2 Market: Accelerating India's Innovation Pipeline	SESSION 5 Fabless Innovation & Chip Design Leadership	SESSION 6 Bio- E3 & Bio Manufacturing	SESSION 3 AI for Breakthrough Science & Engineering	Energy, Mobility & AgriTech	Japan Co-Creating Solutions for the Digital World	India-USA Tech Conclave	Making of Magic
						SESSION 1 From Molecule to Megawatt: Scaling Innovation for India's Energy Future		Opening Session Reimagining Innovation: Advancing India–U.S. Tech Collaboration	
03.00 PM - 03.50 PM		SESSION 9 Infinite Horizons: The Intersection of Technology, Purpose, and Creativity	SESSION 6 The Journey from Pure Play Manufacturing to Brand Building	SESSION 7 Agri-Biotech and Food Innovation	SESSION 4 AI for social good: What it really takes	SESSION 2 Building India's Mobility Backbone: Financing, Infrastructure, & Network Intelligence	Italy Built for the Future: Startup Synergies between Italy and India	Building a Shared Future: Indo-US Partnership for Responsible & Inclusive AI Innovation	Karnataka Startup Product Launches
								Agentic AI in Action: Strategic Opportunities Across Sectors	
04.00 PM - 04.50 PM		SESSION 10 Building Digital India: State Innovations Powering India's Techade Fireside Chat Building Greater Bengaluru:Governance, Innovation & Urban Transformation		SESSION 8 Environmental Biotechnology and Bio-remediation	SESSION 5 Infra - Hardware and Software	SESSION 3 Next-Gen Food Systems: Technology at the Intersection of Food, Biology, and Supply Chains	Switzerland Inventing Tomorrow: Swiss Deep Tech, Indian Drive	Powering the Next Leap: Indo-U.S. Collaboration for a Resilient Semiconductor Ecosystem	
05.00 PM - 05.50 PM	Fireside Chat Exploring Creativity in the Age of AI								
								Fireside Chat: Bridging Skills, Building Futures: India–US Collaboration	
06.30 PM - 08.30 PM	STPI IT Export Awards & Exhibitor Awards								
08.30 PM - 09.00 PM	Gala Dinner (By Invitation)								

Day-3- Thursday 20th November 2025

TIME	INAUGURAL STAGE	TRENDS STAGE (IT & Deeptech)	CIRCUIT STAGE (Electro-Semicon)	LIFE STAGE (Digihealth & Biotech)	STARTUP STAGE I	STARTUP STAGE II	WORLD STAGE-1 (GIA)	WORLD STAGE -2 (GIA)	INNOVATION STAGE
10.00 AM - 10.50 AM	India Innovates					Academia-Industry Collab (NHRD - TIE BLR)			JTCS National Rural IT Quiz (10.30 AM - 11.45 AM)
11.00 AM - 11.50 AM		Women in Leadership	SESSION 7 Machines that Make the Future: Equipment & PCB Assembly Excellence	SESSION 9 AI & Biology	cATalyst Cohort 7 Announcement	SESSION 2 Welcome note and Context Setting	France The Green Shift: France & India Driving Sustainable Innovation	AMCHAM Deepening Techno-Functional Excellence – How U.S. GCCs Are Evolving from Enablement to Innovation	
		Keynotes			Inclusion as an Imperative: Empowering Persons with Disabilities in the GCC Workforce	SESSION 3 Building a Future-Ready Workforce for a New India			
		ePanel: Designing the future of leadership				AI for Disability Inclusion: The Next Frontier in Assistive Technology (Fireside Chat)	SESSION 4 Academia as the Architect of India's Tech-Driven Future	Showcase of Innovative EU technologies for collaborations	
12 Noon - 12.50 PM					ATF Awards 2025	SESSION 5 Academia Meets Industry – Reimagining the Future of Talent			Sharjah Fireside Scaling with Purpose - How Sharjah Enables the Next Wave of Global Innovators
	Panel: Policy Catalysts Driving the Growth Agenda	SESSION 8 Talent Circuit: Energizing India's ESDM Ecosystem	SESSION 10 One Health	SESSION 6 The Academia-Industry Symbiosis - Co-Creating the Future of Talent	UK AI for Global Good – Building Trusted and Inclusive Systems.	Dubai Chamber Why Dubai; Expanding Innovation and Business Pathways between the Dubai, UAE and Karnataka.			
	Closing Keynote			SESSION 7 The Evolving Workforce – From Employment to Empowerment			Dubai Commerce City Dubai CommerCity - the digital ecosystem at the heart of Dubai		
				SESSION 8 Bridging Academia and Industry: An Open Dialogue					
01.00 PM - 02.30 PM	Expo Visit and Lunch Break								
02.30 PM - 05.00 PM	Future Makers Conclave
